<b>1.1</b>	<b>State housing strategy to include the development and retention of affordable housing</b>		
1.1.1	Ensure the State Housing Strategy includes proposals for increasing the supply of affordable housing.	<p><i>Housing Strategy WA</i> will be put to consultation by October 2002.</p> <p>The needs of Indigenous people, CALD and people with disabilities will be given a high priority.</p>	<p>Department of Housing and Works (DHW)</p> <p>The loss in the supply of affordable housing for households in the lower two income quintiles has been identified as a major issue in the development of a <i>Housing Strategy WA</i>.</p> <p><i>The Minister for Housing and Works launched the Housing Strategy WA Discussion Draft on 14 September 2005. A program of public consultation was commenced and comments on the draft invited with a closing date of 31 March 2006.</i></p> <p>In April 2003, Housing Ministers agreed to the development of a National Affordable Housing Project to "promote a national, strategic, integrated and long-term vision for affordable housing in Australia through a comprehensive approach by all levels of government". Housing officials have been working on assessing policy levers that can best be used to increase the supply of affordable housing for people in the lowest 40% of income distribution.</p> <p>Housing, planning and local government officials have prepared a framework for national action on affordable housing. A joint meeting of housing, planning and local government ministers considered the framework on</p>

			<p>4 August 2005 at which the housing, planning and local government ministers agreed to a framework for national action on affordable housing, to be implemented over the next three years. Housing Ministers are to consider a package of policy reform options to increase the future supply of affordable housing at their next meeting in June 2006.</p> <p>The Department of Housing and Works is looking at the feasibility of introducing a not-for-profit charitable housing company to increase affordable housing for low to moderate income earners. A model has been developed and is being examined by the State Housing Commission.</p> <p>The Minister for Housing and Works has endorsed a not-for-profit housing company model, subject to funding arrangements being finalised with the Commonwealth Department of Family and community Services. The model will then be submitted to State Cabinet for final endorsement to establish the company.</p>

1.1.2	Ensure the State Housing Strategy includes a continuum of housing types in all locations to promote community sustainability.	The Housing Strategy will address needs in rural and remote areas as well as metropolitan. It will encourage construction that uses sustainability principles. WACOSS <i>Housing and Sustainable Communities Indicators</i> will be used. The <i>New Living Program</i> will continue.	Department of Housing and Works (DHW)  The <i>Housing Strategy WA</i> will provide strategies to provide a range of housing options to meet our future housing needs over the next 30 years. Rural and remote housing needs will also be recognised in the development of the housing strategy.  See 1.1.1 for update.
1.1.3	On State owned land sold for redevelopment for housing a minimum of 10% to be allocated to either increase additional affordable housing on the existing site or set aside for affordable housing in alternative locations.	This recommendation will be forwarded to the people working on the development of the State Housing Strategy for their consideration and action.	Department of Housing and Works (DHW)  No new information. Refer December 2004 Progress Report.
<b>1.2</b>	<b>Increase Government funding for social housing</b>		
1.2.1	The Taskforce considers that a key underlying principle of the Commonwealth State Housing Agreement (CSHA) is to have a mandate to address homelessness.	When negotiating the next <i>Commonwealth State Housing Agreement</i> , the Government will ensure that all groups in society, including people who are homeless or at risk of becoming homeless, will have their housing needs addressed.	Department of Housing and Works (DHW)  <b>Completed:</b> Refer September 2003 Progress Report for further information.
1.2.2	The Taskforce supports the retention and enhancement of the CHSA with a clear focus on homelessness.	To give certainty to the States on future funding, all parties are seeking to finalise a new Commonwealth State Housing Agreement by July 2002.	Department of Housing and Works (DHW)  <b>Completed:</b> Refer December 2003 Progress Report for further information.

1.2.3	Injection of Commonwealth funds to maintain and increase current social housing and stock levels.	Increased funding from the Commonwealth will be sought to increase the amount of social housing that is affordable for low-income households. Any increase from the Commonwealth will be matched by the State.	Department of Housing and Works (DHW)  The Commonwealth's offer included indexation of <i>Commonwealth State Housing Agreement</i> grants from the second year of the five-year agreement but continues to apply an efficiency dividend and does not include any more GST compensation.
1.2.4	Injection of State funds to maintain and increase current social housing stock levels.	A special one-off injection of \$10.5 million will be made to provide additional public housing. \$5million will be allocated for general public housing and \$5.5 million to provide special needs housing to be targeted at people with mental health problems and people leaving prisons.	Department of Housing and Works (DHW)  <b>Completed:</b> See December 2003 Progress Report for further information.
1.2.5	The State to negotiate with the Commonwealth for an increase in funding for Aboriginal housing.	The State is also negotiating an innovative bi-lateral housing infrastructure agreement with Commonwealth through ATSIC worth \$80m. It is expected that agreement will be reached for a 1 July 2002 start.	Department of Housing and Works (DHW) Aboriginal and Torres Strait Islander Commission (ATSIC)  The Commonwealth funding for 2004-05 is a combination of ARHP (\$21.177M) and CHIP (Community Housing and Infrastructure Program) funding (\$40.159M) plus \$0.550M allocated by the Commonwealth towards Surveys and Town Planning, a total of \$61.886M.  <i>The expected Commonwealth funding for 2005-06 is a combination of ARHP (\$16.271M), CHIP (Community</i>

1.2.6	Local Government to be involved in a three way partnership with State and Commonwealth Government in negotiating CSHA.	The State Government will ask the Commonwealth to invite Local Government to participate in the Commonwealth State Housing Agreement negotiations.	<p>Department of Housing and Works (DHW)</p> <p><b>Completed:</b> 2003 CSHA signed in July 2003.</p> <p>At a national level, the Australian Local Government Association (ALGA) has observer status at the Housing Ministers' Conference for relevant agenda items. This will include the development of a framework for national action on affordable housing.</p> <p>The ALGA is also involved with housing planning and local government officials in the implementation of the framework for national action on affordable housing (see 1.1.1 above). This work includes consideration of the benefits of a new National Affordable Housing Agreement.</p>

<b>1.3</b>	<b>Broaden opportunities for increasing the amount, durability and type of affordable housing</b>		
1.3.1	Increase the use of durable building materials and fittings in social housing.	DHW's <i>Management Support Program</i> and its <i>Remote Village Construction Program</i> will continue to work towards improving the state of housing in remote Indigenous communities.	<p>Department of Housing and Works (DHW) The Department of Housing and Works supports the use of durable building materials. A review of their effectiveness was undertaken in 2003/04 and confirmed the need for a continuation of the durable housing policy. Refer to Progress Report June 2003 for further details.</p> <p><b>In 2003/04</b> DHW commenced the construction of a further 53 durable dwellings comprised of either "full" or "partial" durable housing units. All 53 units have been completed. Refer to previous reports for full details.</p> <p><b>In 2004/05</b> DHW commenced the construction of 162 durable dwellings comprising either "full" or "partial" durable housing units as follows:</p> <ul style="list-style-type: none"> <li>• Indigenous – remote communities – 134</li> <li>• Indigenous Housing – Urban – Southern 5, MidWest/Gascoyne 6, Pilbara 3, Kimberley 6</li> <li>• Mainstream Public Housing – Southern 6, Pilbara 2.</li> </ul> <p>Of the 162 units, 58 have been completed.</p> <p><b>In 2005/2006</b> DHW plans to commence the construction of 139 durable dwellings comprising either "full" or "partial" durability as follows:</p> <ul style="list-style-type: none"> <li>• Indigenous – remote communities – 96.</li> <li>• Indigenous Housing – urban – Southern 4, Wheatbelt 7, Goldfields 2, Mid West/Gascoyne 1, Pilbara 5, Kimberley 9.</li> <li>• Mainstream Public Housing – Southern 1, Wheatbelt 6.</li> </ul> <p>Of these 139 units, 1 has been completed</p>

1.3.2	Increase the quality of housing in Indigenous Communities to eliminate 'homelessness in homelands'.	The Government will continue to work towards improving the state of housing in remote Indigenous communities	<p>Department of Housing and Works (DHW)</p> <p>The DHW is a signatory to a code of practice for housing and environmental infrastructure development in Indigenous communities in WA. The DHW is committed to ensuring the requirements of the code are met on an ongoing basis.</p> <p>It is proposed to spend <b>\$133.942</b> million in 2005/06 on Aboriginal programs through AHID.</p> <p>Refer to earlier reports for further details.</p>
1.3.3	Increasing Aboriginal management to 18% of urban community housing stock.	DHW will encourage an increase in the management of community housing by Indigenous groups by providing infrastructure support and training. CHCWA will be the main vehicle for assisting Indigenous groups to acquire the necessary skills to manage community housing.	<p>Department of Housing and Works (DHW)</p> <p>Noongar Mia Mia Pty Ltd (NMM) has been formed to become a specialist Indigenous housing provider. DHW has funded NMM \$15,000 under the Community Housing Program in 2003/04 to develop housing projects and submissions in 2004/05 and 2005/06. Refer to previous reports for further information.</p> <p>Community housing stock managed by Indigenous organisations (<b>131 properties</b>) makes up <b>4.14%</b> of community housing stock. DHW has approved community housing funding applications from <b>two Indigenous organisations in 2004/05 carried forward into 2005/06 for a total of 3 units of accommodation. One of these organisations has been approved in 2005/06 for 2 more units of accommodation. A further 2 Indigenous organisations are in the back up program to develop proposals for another 4 units of accommodation.</b></p>

1.3.4	Community Housing reaches a target of 18% of Aboriginal occupancy.	It is proposed to achieve the target figure of 18% over a five-year term with a target of 5% by 30 June 2003.	<p>Department of Housing and Works (DHW)</p> <p>Community housing surveys all of their provider agencies each financial year. The survey asks housing providers to identify their tenant profile. It is estimated 30% of all community housing properties house Indigenous people. However it should be noted that that this figure includes Crisis Accommodation (CAP) properties which are occupied by a significant number of Indigenous persons and the figure in generic long-term community housing accommodation would be lower.</p> <p>The 2005/06 funding round for the Crisis Accommodation, Community Housing and Joint Venture Housing Programs identifies Indigenous clients as a priority target Group for housing assistance. Nine housing units have been allocated in the backup program for Indigenous people.</p>
<b>1.4</b>	<b>Optimise the access and use of existing housing for people low incomes</b>		
1.4.1	Develop a system to enable data matching of tenants on waiting lists for long term community housing and public housing. One off project.	DHW will develop the data system in conjunction with CHCWA, as part of the <i>Community Housing Strategic Plan</i> that is due for completion by 31 December 2002.	<p>Department of Housing and Works (DHW)</p> <p>The implementation of a data system is targeted for implementation by 2008 as part of the Community Housing Strategic Plan. See earlier Progress Reports for further information.</p>

1.4.2	Review and implement changes to transitional accommodation provided through the Crisis Accommodation Program to enable the tenant to take the lease and a replacement property provided.	DHW and DCD will develop suitable protocols for the implementation of this recommendation.	Department of Housing and Works (DHW), and Department for Community Development (DCD)  <b>Completed – Refer</b> December 2004 Progress Reports for further information.
1.4.3	Increase the amount of bond assistance currently provided by Housing and Works for people to access private rental to the full cost of the bond and two weeks rent in advance.	From 1 March 2002, the Government increased the maximum bond loan amounts to better reflect the amount of bond required. Evaluation required.	Department of Housing and Works (DHW) <ul style="list-style-type: none"> <li>• <b>Completed:</b> Bond Assistance Loan Levels were again increased on 10 October 2005 to improve affordability for clients seeking private rental accommodation.</li> <li>• Ingoing fees (letting fees and rent in advance) are granted on a “need only” basis, and are added to the bond loan amount. For the period 1 July 2005 to 31 December 2005, 255 homeless clients or clients in need have been assisted with a total of \$267,424, comprising of \$194,165 in bond loans, \$66,856 rent in advance and \$6,403 letting fees.</li> <li>• 4,606 bond loans were approved from 1 July 2005 to 31 December 2005 with a value of \$2.117 million with an average of \$459 per loan.</li> <li>• Since the commencement of the Homeless Helpline 2,320 bond loans have been issued to clients who contacted the Helpline (an increase of 155 loans since the July 2005 report). The bond loans have enabled clients to access the private rental market. Of the 2,320 bond loans, 541 have been advanced to Indigenous clients.</li> </ul>

1.4.4	Examine options for incentives for private landlords to accommodate people on low incomes.	<p>DHW has established a pilot project with the Real Estate Institute of WA to assist 10 Indigenous families into private rental sector accommodation. The Department will underwrite any rent loss or property damage and provide additional support to the tenants where appropriate, at an estimated cost of \$100,000. A review of the trial will be complete by 31 December 2002.</p> <p>Note: this is the same as for 1.4.5 below.</p>	<p>Department of Housing and Works (DHW)</p> <p>Protocols have been developed for the referral of properties and clients between Perth Management Services (PMS) and DHW.</p> <p>The REIWA Indigenous families project has been replaced with the Perth Management Services (PMS) private rental project. In addition, the DCD funded Wesley Homelink service will assist Indigenous families who meet the service criteria.</p> <p>The majority of referrals for Perth Management Services are from Indigenous families who cannot access the private rental market. From the commencement of the project (November 2002) to 31 December 2005, 31 Indigenous families have been accommodated.</p> <p>Centrelink has advised that the internet trial providing Centrepay vendors with on-line viewing of client payments and deduction arrangements has moved to full production. Centrelink estimates there are 400 vendors in WA using the service of which 60% are real estate agents. A small number of private landlords are also using the service.</p>

1.4.5	Department of Housing and Works build on the current pilot project with the Real Estate Institute of WA to enable Aboriginal people and young people to access private rental by headleasing private rental stock, underwriting potential damage and the provision of support.	DHW has established a pilot project with the Real Estate Institute of WA to assist 10 Indigenous families into private rental sector accommodation. The Department will underwrite any rent loss or property damage and provide additional support to the tenants where appropriate, at an estimated cost of \$100,000. A review of the trial will be complete by 31 December 2002.	Department of Housing and Works (DHW)  Negotiations with Wesley Mission have been completed. Where appropriate Aboriginal clients are referred to Wesley Homelink to assist with locating private rental. This project replaces the REIWA pilot project.
1.4.6	Abolish the letting fee currently charged by real estate agents.	Review of the Residential Tenancies Act 1987 (Act).	Department of Consumer and Employment Protection (DOCEP)  A statutory review of the Residential Tenancies Act has been completed (RTA). DOCEP received the report from Stamfords Advisors Consultants on Thursday 22 August 2002. The Report, which included the recommendation that the Act be amended to prohibit agents from charging letting fees to tenants, was released for public comment.  A DOCEP RTA Review Team has researched the issue of letting fees in conjunction with analysing the Stamfords Report's recommendations and subsequent public consultation. It is anticipated that a Policy Position Paper containing a proposal in relation to letting fees will be provided for the Minister's consideration in <a href="#">January 2006</a> .

<b>1.5</b>	<b>Addressing income support issues</b>		
1.5.1	The State to negotiate with the Commonwealth to increase income support for all people to eliminate the discrepancies between pensions and allowances.	The Department of the Premier and Cabinet is engaged in discussions through the Council of Australian Governments.	<p>Department of the Premier and Cabinet (DPC) and Department for Community Development (DCD)</p> <p>DCD responded to the Commonwealth discussion paper titled "Building a Simpler System to Help Jobless Families and Individuals" noting that there needed to be adequate income support without discrepancies.</p> <p>The State Government, in conjunction with other stakeholders, is also attempting to raise this issue at the Council of Australian Governments through the New Reform Initiatives Working Group.</p>
1.5.2	The State to negotiate with the Commonwealth to have the level of income support paid to a young person living independently raised to the adult level.	And 1.5.1. Through the Community Services Ministers Advisory Council, there are ongoing discussions with other states, Territories and the Commonwealth. A recent development has been the establishment of a Working Group to examine the impact of the Commonwealth Strategy Australians Working Together. DCD will raise these issues in these forums and directly with the Commonwealth Minister for Family and Community Services.	<p>Department of the Premier and Cabinet, (DPC) and Department for Community Development (DCD)</p> <p>DCD will continue to raise this issue in the Community Services Ministers Advisory Committee (CSMAC) Welfare Reform Working Group.</p>

1.5.3	The State to ask the Commonwealth to urgently address the negative impact of the practice of 'breaching' on creating homelessness.	The State Government will use the current mechanisms for Commonwealth State discussions to raise issues where vulnerable people are put at housing risk due to income support penalties.	<p>Department of the Premier and Cabinet, (DPC) and Department for Community Development (DCD)</p> <p>DCD has raised this issue at meetings with Centrelink staff.</p> <p>Centrelink have developed a <i>Breaching Decision Improvement Plan</i> to develop and test changes to the breaching policy. Breaches cannot be imposed without contact with the customer. If client fails to contact can use temporary suspension instead to get the client to contact Centrelink and avoid breach. The Government will continue to monitor this.</p> <p>Centrelink continues with the strategies identified in the Breaching Decision Improvement Plan. There also continues to be regular monitoring of breaches occurring for particularly vulnerable customers such as Indigenous people and homeless young people.</p> <p>The "contact policy" requirements in regard to breaching have been modified to ensure that personal factors and circumstances, together with disadvantage factors are taken into account <i>before</i> any decision is made to apply a breach. Specialist Officers are consulted and are an integral part of the decision making process."</p>

2.1.6	Increase the level of immediate clinical support for people with mental illness in all areas by increasing the capacity of the local Mental Health Teams to meet the demand of people in need.	\$500 000 in 2002/03 rising to \$800 000 to establish a new south metro service for vulnerable youth with mental health problems.	Department of Health, Office of Mental Health  The Department of Health is establishing the Intensive Community Youth Service in the south metropolitan region. <a href="#">The service, known as YouthReach South commenced in October 2005.</a> The funding for the service is \$500,000 in 2004/05 and \$1,000,000 in 2005/06 and \$1,000,000 in 2006/07
2.1.7	Increase the amount of financial counselling available to people at risk of homelessness.	The Government will provide an additional \$500 000 annually to increase the capacity of financial counselling services.	Department for Community Development (DCD) and Department of Consumer and Employment Protection(DOCEP)  <b>Completed</b> – see earlier Progress Reports for further information.
2.1.8	Develop a system to monitor evictions due to anti social behaviour to identify where they have been racially motivated.	This recommendation will be referred to the Office of Citizenship and Multicultural Interests for their consideration in developing the strategy.	Department of the Premier and Cabinet (DPC)  DHW records data on evictions and establishes where tenants have been evicted for anti-social behaviour.  The Equal Opportunity Commission (EOC) has completed an investigation into public housing provision to Aboriginal people in WA. The report " <i>Finding and Place – An Inquiry into the Existence of Discriminatory Practices in Relation to the Provision of Public Housing and Related Services to Aboriginal People in Western Australia</i> " was released on 15 December 2004.

			The EOC has established a "Section 80 Implementation and Monitoring Committee" to oversee the implementation of recommendations in the "Finding a Place" report. A broad range of Government, non Government and community members are represented.
2.1.9	Develop living skills as part of the course for students at risk. The Curriculum Council in consultation with the Youth Affairs Council of WA develops an appropriate curriculum on living skills for students at risk.	The development of appropriate curriculum will involve stakeholders including the DoE and YACWA. DoE would then deliver this through a range of strategies including virtual learning and alternative programs.	Department of Education (DoE)  During 2004-05 the Curriculum Council has continued the development of all new courses. The timing for implementation of the new courses was however amended so that implementation of some courses may now be later than originally planned, that is instead of 2007 implementation may now be 2008. Students at risk will be able to access a curriculum focused on living skills with the program made up of units from a number of these courses (depending on student needs). Their program might include units from the English course that will provide essential communication skills; units from the Career and Enterprise course that will provide work related skills, units related to health and well being from the Health Studies and/or Children, Family and Community course.

			occupation, works intensively with the tenant for a minimum of 3 months and maintains liaison with the real estate agent and the Homeless Helpline. Where spare capacity exists, Ruah can act as a back up SHAP service for Homeswest tenancies. <i>As at 31 December 2005 a total of 70 households have been supported by Ruah Tenancy Support since the program commenced. Of these, 31 (44%) were Indigenous.</i>
2.4.2.3	Develop a demonstration project to include adequate facilities such as ablution blocks with showers, cooking facilities, and shelter.	<p>The City of Perth and the Town of Port Hedland have expressed an interest in trialing such projects. The City proposal will be referred to the Indigenous Affairs Northbridge Priority Project Working Group to determine whether such a facility can contribute to addressing the complex issues surrounding Aboriginal people in the inner city.</p> <p>The Department of Indigenous Affairs (DIA) will assist in negotiating with ATSIC to investigate funding and support for these options. The Kalgoorlie Boulder City Council has established a similar project in Yarri Road Camp. DIA will continue to monitor such activity.</p>	<p>Department of Indigenous Affairs (DIA)</p> <p>In September 2004, the Minister for Community Development approved a one year project, to second a DCD Community Capacity Builder to work with the people frequenting parks in the Perth, Highgate and Northbridge areas, develop and implement strategies to assist them. The majority (11) of the long term homeless people have been assisted into accommodation or to return to their communities. A few are still to be accommodated. Work has been undertaken to investigate the options for a demonstration project but so far no suitable land has been identified.</p> <p>The Yarri Road Camp and the Zone 6 Camp in Kalgoorlie Boulder continue to be maintained for visitors from outlying communities. These camps are specifically designed to provide the basic needs of Indigenous people and were constructed in consultation with Indigenous community leaders. The camps are provided with potable water, wash troughs, open accommodation huts and drop toilet</p>

2.4.2.4	Develop an action research project initially focussing on people who have been banned from services and who may be unable to secure any support services. The project would work intensively with people assisting them into accommodation and documenting effective interventions.	DCD will work with WACOSS and the Lotteries Commission to secure funding for this important development.	<p>Department for Community Development (DCD) Lotteries Commission</p> <p>The project identified in 2.4.2.3 is working with a number of people who have been banned from services. The findings from this project will be useful in developing future strategies for other high need clients.</p>
2.4.2.5	The Development of campus accommodation as an option for school students to enable them to have the stability to complete their schooling. Joint ventures with the Department of Education supplying a portion of the school grounds as land for the development. The Department of Housing and Works building appropriate one and two bedroom units and local youth services providing minimal support. Begin with a demonstration project to assess viability.	Cyril Jackson Senior Campus has commenced planning in partnership with DHW, DoE and the Eastern Metropolitan Community Housing Association Inc. Under this arrangement DoE would provide the land, DHW would provide the buildings and EMCHA would provide property and tenancy management.	<p>Department of Housing and Works (DHW) Department of Education (DoE)</p> <p>The Department of Housing and Works has approved a Joint Venture project with the Eastern Metropolitan Community Housing Association (EMCHA) for 2002/03 to construct 7 x 1 and 3 x 2 bedroom units for students at the Cyril Jackson High School in Ashfield.</p> <p><a href="#">The construction of these units was completed in November 2005, with the units formally opened in February 2006.</a></p>

2.4.3	Specialist services to assist people who are homeless		
2.4.3.1	Provide additional sobering up shelters for Indigenous people in Perth City and other regional areas where such services are not available.	The State has earmarked funding for proposed initiatives in the alcohol and substance misuse area next financial year, including sobering up shelters. This will complement the \$350 000 pa earmarked by the Commonwealth for sobering up shelters for the next five years. The Government will also work with ATSIC about a specific proposal for a sobering-up shelter in inner city Perth.	<p>Department of Health, Drug and Alcohol Office (DAO)</p> <p>The number of Sobering Up Centres has increased, from 10 centres with 175 beds in 2000/01 to 14 centres with 240 beds. The new centres are located in:</p> <ul style="list-style-type: none"> <li>• Perth (Karlhimia - Anawim Women's Refuge)</li> <li>• Midland</li> <li>• Wyndham</li> <li>• Geraldton</li> </ul> <p>In addition the Kalgoorlie Centre had an increase of 20 beds and the Salvation Army, Wright Street Centre has been refurbished.</p> <p>Plans to establish a Carnarvon Sobering Up Centre have been deferred.</p>
2.4.3.2	Increase in services working with the children of people who are homeless as a result of domestic violence and other crises.	The Government has allocated additional \$100,000 per year for initiatives to support children accompanying their mothers into women's refuges. This funding has been allocated to Yorgum to assist Indigenous children who have been affected by family violence. DCD is progressively seeking to establish:	<p>Department for Community Development (DCD)</p> <ol style="list-style-type: none"> <li>1. Two support services at \$200 000 annually from July 2003 to work with dependent children in family supported accommodation services in the metropolitan area.</p> <p>3. One support service at \$200 000 annually from January 2003 for young parents focussing on parenting and the needs of their children where the parent/s are living in youth supported accommodation services in the metropolitan area.</p>	<p>The Supported Accommodation Assistance Program State Advisory Committee is managing a study of the impact of this additional funding on the provision of services to children. The University of Western Australia was contracted to undertake the study which was completed in early 2005. The study found services are addressing the needs of children but have insufficient capacity to fully meet them. The report identified a number of areas of concern, especially in rural and remote areas. <a href="#">The report was considered by the July 2005 meeting of the DCD Executive and tabled at the Human Services Directors General meeting in November 2005 drawing their attention to the issues.</a></p>
2.4.3.3	Expand the Street Doctor service.	<p>The Street Doctor pilot has been extended until 30 June 2002 under the Innovative Health Services for Homeless Youth (IHSHY) Program and is expected to continue at an annual funding level of \$90,000. Expanded services will be planned.</p>	<p>Department of Health (DoH)</p> <p><b>Completed</b> – see previous Progress reports for details.</p> <p>The Street Doctor program has been expanded and now consists of Mobile Access vans which operate in Perth inner city, Swan Hills and Fremantle.</p> <p>See December 2004 Progress Report for details.</p>

2.4.3.4	Investigate current day centres provided by local authorities for aged and disabled people for their applicability to a broader social group.	The Home and Community Care Program funds local government authorities to provide day centres. The aim of these day centres is to provide respite for carers for the frail aged and younger disabled people. Frail aged and disabled people, including homeless people, are eligible to attend these day centres. People assessed as having a functional physical disability making it difficult for them to perform the tasks of daily living are eligible for services provided by the HACC program.	<p>Department of Health (DoH) – HACC</p> <p>A service for homeless HACC clients commenced in April 2004. The service is located in Armadale and provides a centre based day care, personal care and social support services specifically targeting homeless HACC clients in the south east metropolitan area. The service is being accessed by people of ATSI background.</p> <p>Completed: See December 2004 Progress Report for details.</p>
2.4.4	Support for People who are Moving from Homelessness into Accommodation		
2.4.4.1	People have access to white goods; furniture and other household goods are available. Implement the Furniture bank project and other initiatives whereby people can receive furnishings etc by way of no interest loans and other options.	<p>DCD will liaise with WACOSS and the Lotteries Commission to encourage the establishment of the Furniture Bank project.</p> <p>DCD will continue to fund the WA No Interest Loans Network to provide interest-free loans for people who need furniture and whitegoods.</p>	<p>Department for Community Development (DCD) Lotteries Commission</p> <p>DCD is continuing to fund the No Interest Loans Scheme (NILS) through the Western Australian NILS Network.</p> <p>DCD is investigating the need and feasibility of establishing a furniture bank or scheme. <a href="#">The report is being finalised.</a></p>

<b>3</b>	<b>ENHANCING IMPLEMENTATION</b>		
<b>3.1</b>	<b>Establish Implementation Committee</b>		
3.1.1	Establish implementation Committee responsible to the Cabinet Standing Committee on Social Policy.	The Government will establish a community and Government committee to monitor the implementation of these initiatives.	<p>Department of the Premier and Cabinet (DPC)</p> <p><b>Completed</b> – see earlier reports for details.</p> <p>Consultants Estill &amp; Associates were contracted to conduct and impact and outcome evaluation of the Strategy to provide information to make decisions on the future of the Strategy, its funded initiatives, and lead into the 2006 budget process. The draft evaluation was completed in late 2005 and will be forwarded to the Human Services Directors General Group in the early 2006 for noting before tabling at the Cabinet Standing Committee on Social Policy prior to its release.</p>
3.1.2	Ensure that there are structural links between the Implementation Committee and the Indigenous Affairs Advisory Committee to ensure that strategies to enable the mapping of need and responses within Indigenous communities are integral to implementation.	DIA will ensure that all relevant business arising in the Homelessness Monitoring Committee is readily available to the Indigenous Affairs Advisory Committee.	<p>Department of the Premier and Cabinet (DPC), and Department of Indigenous Affairs (DIA)</p> <p>DIA is now represented on the State Homelessness Strategy Monitoring Committee. There are links to the Gordon Inquiry Initiative through the DIA representative.</p>

<b>3.2</b>	<b>Legislation</b>		
3.2.1	Investigate the merit of drafting legislation to ensure accommodation and support services for people who are homeless.	The Government will be investigating the merits of legislation in addressing issues of social inclusion including issues of homelessness.	<p>Department of the Premier and Cabinet (DPC)</p> <p>Officers from Department of Housing and Works (DHW) and Department for Community Development (DCD) met and agreed that better links needed to be established between relevant existing Commonwealth/State agreements. This was considered during the review of the Commonwealth/State Housing Agreement (CSHA).</p> <p><a href="#">The Supported Accommodation Assistance Program (SAAP) National Co-ordination and Development Committee</a> commissioned a report "Recent International and National Approaches to Homelessness" which <a href="#">examined policy and legislation approaches.</a></p> <p>A new section in the 2003 CSHA requires the Commonwealth, States and Territories to strengthen the links between housing and services with the aim of improving housing outcomes for people in most need. This includes "positively influencing other Commonwealth State agreements" and mentions the CSTDA, SAAP, Home and Community Care Program and the Australian Health Care Agreements.</p>

<b>3.3</b>	<b>Community Education</b>		
3.3.1	Develop an information strategy to encourage debate and discussion on issues around homelessness.	With WACOSS and the community, the Government will continue to ensure a high level of public debate and discussion around issues affecting the most vulnerable people in our community.	Department of the Premier and Cabinet (DPC)  See earlier reports for details.
<b>3.4</b>	<b>Working Together</b>		
3.4.1	State Government agencies develop better ways of collecting data on people who are homeless.	<p>All State and Territory Governments are supporting the work of analysing the 2001 Census focusing on homelessness.</p> <p>This information will assist Government agencies in developing better ways of understanding the number of people they work with who are homeless.</p> <p>Western Australian Government agencies will be cognizant of the need to include indicators of homelessness when redeveloping current client data collection methods.</p>	<p>Department for Community Development (DCD)</p> <p>The following work has been undertaken since June 2005 relating to the scale of homelessness for different populations in Western Australia:</p> <p>Work is continuing between the Supported Accommodation Assistance Program National Coordination and Development Group's Information Sub Committee and the Australian Bureau of Statistics regarding the collection of homelessness data in to 2006 population census.</p> <p>See earlier reports for details of work undertaken and papers published prior to December 2005.</p>

3.4.2	Develop a commitment across the Government and community sector to work together in implementing the Action Plan.	<p>The new Homelessness Monitoring Committee will provide the framework for ensuring a shared commitment by the Government and community to this issue.</p> <p>Government agencies will be required to work in partnership and collaborate with the community sector in the implementation of the many new initiatives outlined in this report.</p>	<p>Department for Community Development (DCD)</p> <p>The work of the State Homelessness Strategy Monitoring Committee has ensured this commitment has been achieved.</p> <p>For details of the membership and Terms of Reference go to <a href="http://www.homeless.dhw.wa.gov.au">www.homeless.dhw.wa.gov.au</a></p>
3.4.3	Develop a method of centralising funding for new initiatives arising from the Taskforce across Government portfolios.	<p>The Government is keen to develop better ways of funding whole of Government initiatives and will continue to investigate opportunities.</p>	<p>Department of the Premier and Cabinet (DPC)</p> <p>Models of joined-up budgeting are currently being explored in a project being led by the DPC Policy Division. This issue has acquired greater urgency as a consequence of the findings of the Gordon Inquiry and the Functional Review Taskforce. Consideration is being given to developing a range of multi-lateral budget initiatives.</p> <p>The State Indigenous Strategy that has been developed will become a pilot multilateral project.</p> <p>The Governments Cabinet Standing Committee on Social Policy is now underpinned by the Human Services Directors General Group. Work is being undertaken with Senior Officers Groups and Regional Managers' Forums to promote collaboration and integration of Government initiatives.</p>

3.4.4	Developing flexibility in funding arrangement to enable Government and community agencies to work together.	<p>The Government is committed to the development of more flexibility in funding arrangements for the not-for-profit sector. The Working Party on Funding Agreements with Not-for-profit Organisations has completed and released a consultation report on proposed new arrangements. It is anticipated these new arrangements will come into effect from 1 July 2002. These new arrangements will recognise the partnership between the community and the Government in the provision of services.</p>	<p>Department of the Premier and Cabinet (DPC)</p> <p>The recommendations of the Working Party on Funding Agreements with Not-For-Profit Organisations have been adopted by the Government and became operational on 1 November 2002. The detailed policy is on the Department of Premier and Cabinet web site at <a href="http://www.dpc.wa.gov.au/psmd/pubs/psrd/community/fundpurchasepolicy.pdf">www.dpc.wa.gov.au/psmd/pubs/psrd/community/fundpurchasepolicy.pdf</a></p> <p>A standard service agreement has been developed for use by all Government departments in contracting community based service provision. The Agreement came into effect on 1 July 2003 and will be progressively implemented in new and renewed contracts. Some finalisation of the schedules is being discussed with WACOSS.</p> <p>A standard grant agreement was developed in early 2005 for use by all Government agencies.</p> <p>The Government has developed an <i>Industry Plan for the non Government Human Services Sector</i> which was launched at the Western Australian Council of Social Services Conference on 15 June 2004.</p>
